## UI/UX DESIGNER

### Profile

---

I'm a Junior UI/UX Designer with a background in graphic design and a passion for creating intuitive, user-centered interfaces. Skilled in Figma, Adobe XD, Sketch, Photoshop, and Illustrator, I combine visual creativity with usability to deliver clean, effective digital experiences. I thrive in collaborative teams and am eager to grow through meaningful design projects.

### Professional experience

---

**UI/UX DESIGNER (INTERN), TRON ACADEMY** 2025 – 2025

I have gained valuable experiences and my skills in UI/UX design through tough 1 month internship at Tron Academy.

In this period of time i completed my personal projects based on Mobile app and web design While developing also learned the prototype and wireframes through the expert guidance.

**GRAPHIC DESIGNER, IMM GRAPHIC DIGITAL PRESS** 2024 – 2024

- Designed logos, social media posts, and marketing materials.
- Supported brand identity and visual consistency across projects.
- Created mockups and layouts for web and print.

### Education

---

**UI/UX DESIGN, TRON ACADEMY** 2025 – 2025

**DIPLOMA IN GRAPHIC DESIGN, TECSWAN** 2024 – 2024
